

*Lycée International de Valbonne
Anglophone OIB Section*

Alumni Association

As a Lycée de Valbonne alumnus, you are part of a remarkable network of graduates that cover the globe.

At the CIV things are always changing and new students are continually going through the rigorous ranks of the OIB program in order to be like you, graduates with the world at their feet.

As alumnus of the Lycée International de Valbonne you have gone on from this international environment of your Alma Mata to various areas of higher education or other endeavors. We would like you to stay in touch with us, learn about changes taking place at the CIV, and keep us up to date on your adventures. Aseica and the OIB program need to know how the OIB program has helped you along the way; what was helpful or what areas could be stronger. You are our link to the outside world. **Let us hear from you!**

On **January 6th 2011** our first annual Alumni Reunion will prove a success and get us on the right track. In order to improve our data base and keep you abreast of the CIV events, we would appreciate you taking a few minutes of your time to fill out this short contact information sheet. Email contact is highly important! We will use the data only for internal purposes and will not divulge your contact information unless you grant us permission. **See attached form below.**

You are an invaluable part of the OIB experience.

Thank you for your participation!
